28TH ANNUAL

Contra Swing Shift

Band: **Hot Coffee Breakdown**

Driven by Tom Cunningham's fiery fiddle, with Kate Sanders on keyboard and Luis de Leon on percussion and harmonica, Hot Coffee Breakdown will caffeinate your dancing!

Caller: **Katie Zanders**

Coming all the way from Florida, Katie Zanders will wow you with her clear calling and fun dances. The way she sees it "as long as you're smiling and having fun you're doing it right; after all it's only a dance".

Don't miss the TWO swing workshops, with plenty of time to practice, AND an English Country dance with our house band, the Merry Maggots. Try it, you'll like it!

No advanced registration is required or even possible. Housing is on your own. "Gents and Ladies" will be used.

Masks optional, frequent hand washing encouraged.
Stay home if you are sick!
